

Community of Christ

ROCKY MOUNTAIN USA MISSION CENTER

November 6, 2010

To: The Rocky Mountain Mission Center Conference

Please join me in extending sincerest thanks for these individuals who have been superannuated over the last 2 years. "Superannuation is an honor in recognition of long and faithful service. Superannuation continues the authority to administer the sacraments pertaining to the office. However, such participation becomes permissive and voluntary." We have been blessed as a community by these faithful servants of the Lord Jesus Christ let us arise and be thankful for their service to us.
